**Chef Louie Says:
 It's Time to Play!**

Maybe you're looking outside right now and snow is falling on the ground. No matter what the weather is like there's always a way to be physically active and have fun.

When It's Cold Outside

Brrr! It's a cold day and you're all bundled up, looking for some fun. Warm up fast and get those muscles moving by shoveling the snow off the driveway or the sidewalk. You might even offer to

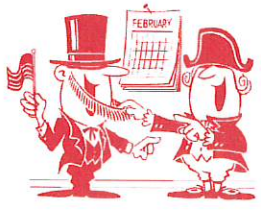

shovel the driveways or sidewalks for people in your neighborhood. Make some giant snow people or other snow creatures. Build an igloo or a fort, and store all your snowballs there.

More things to do when it's cold:

- Play tag in the snow
- Take a nature hike and look for animal footprints
- Sledding
- Make snow angels
- Ice-skating
- Skiing
- Snowboarding
- Tobogganing

When You're Stuck Indoors

Maybe you can't go out because the weather is rainy or too cold. But that doesn't mean you can't get some exercise while you're inside.

Turn on your favorite music and dance. Invite your dog or cat to join in the fun. Or grab a hula hoop and make up some hula-hoop dances. If there is enough room, you can jump rope and count how many times you jump without missing.

There are basketball hoops with over-the-door hooks and basketballs made from soft foam that are meant to be played with indoors. If you have them and there is enough room, set them up and shoot some hoops. Have a tournament with everyone in the house—may the best basketball player win!

More things to do when you're stuck indoors:

- Do some tumbling if you have enough room to do it
- Set up a scavenger hunt
- Bat a balloon back and forth and try not to let it hit the floor
- Have a dance party
- Do some hallway bowling--fill up some plastic bottles with water and use any ball that you have

And here's one thing not to do: Try not to say, "I'm bored. There's nothing to do." As you just found out, there's always something to do!
